### Detailed itinerary

#### **Day 1: Arrival in Entebbe & Mabamba Swamps**

Arrival in **Entebbe** as per your international flights and transfer to Papyrus Guest House.

**Optional Extra:** In the afternoon (departure from the hotel must be max at 14.30/15.00 hours) departure by car and local canoe to Mabamba Swamp, one of the best places for spotting the rare **shoebill storks**. Of course some fortune is needed but rarely does one leave the swamp without seeing one! Many other water birds have chosen this area as their home so birding is always very interesting. Enjoy a relaxing sundowner on **Lake Victoria** and then return to the Guest House.

- Accommodation: Papyrus Guest House (Garden room)
- Meal Plan: Bed & Breakfast basis; Lunch & Dinner on own's account

#### **Day 2: AeroLink Flight to Kisoro, hike and canoe across Lake Mutanda**

After an early breakfast, transfer to Entebbe International Airport for the AeroLink **flight to Kisoro** across central Uganda and offering a view of the country beautiful landscape of mountains, hills, cultivated terraces, tropical rainforest, bamboo forests and the majestic chain of the Virunga Volcanoes.

Upon arrival meeting with the vehicle and our walking safari guide for a briefing on the very interesting activities of the day which will be adapted to the clients' desires. You can either walk for approx. 90 minutes - 4km to **Lake Mutanda** Sheba's Camp - or drive 30 minutes to the lake. You then "settle" in a dugout canoe for 2-3 hours of gentle relaxed cruising across the lake, enjoying the beautiful landscape. After lunch at a restaurant on the lake shores, continuation on foot till Rubuguri (9km - 2/3 hours) where you meet up the vehicle and drive for another 10 km up to the Lodge in **Nkuringo** (approx 1 hour). Of course you can also be picked up by the vehicle at the lake and drive all the way up to the Lodge. Guests decide!

- Accommodation: Nkuringo Bwindi Gorilla Lodge (Private Cottage)
- Meal Plan: Full Board

#### **Day 3: Gorilla tracking**

After breakfast, at around 7:45 am, with packed lunch and drinking water you will be transferred to the National Park Head Quarters for the briefing on the dos and the don'ts while with the gorillas. You then continue to the forest for the start of the actual **gorilla tracking**.

The beauty of this rain forest is spectacular. The area offers a dramatic, steeply forested landscape and is incredibly dense, but crisscrossed by numerous animal trails allowing access to tourists. The time taken and the terrain vary as per the movements of these great primates. The thrill of spending time observing these gentle and endangered giants is an awesome, exciting experience to be long savoured. Many find it to be a rare and moving opportunity. The tracking

can take place at Nkuringo or at Rushaga (1 hr drive from Nkuringo), as per the gorilla permits obtained.

Upon return, relax at the lodge and, for those who like, at 5.00 pm either stroll through the community center or drive up to the **“Top of the World”** - the name given to the football field, high up in Nkuringo which offers amazing views over the peaks and forests around Nkuringo. A great way to stretch your legs after the gorilla tracking and to enjoy a sundowner.

- Accommodation: Nkuringo Bwindi Gorilla Lodge (Private Cottage)
- Meal Plan: Full Board

#### **Day 4: Community tour, Nombe and Buniga Forests (encounter with the Batwa)**

This morning after a hearty breakfast, enjoy birding in **Nombe Pocket Forest** – it was part of Bwindi Impenetrable National Park and it is still quite impenetrable, however it was cut off from it as people needed more land to live on and cultivate. It can be reached on foot (approx. 1 hour to go and 2 hours to come back) or by vehicle and the visit lasts approx. 2 hours, depending on the interest of guests.

Lunch at the lodge and at 2.00 pm departure to Buniga Forest Trail Walk, an informative project run by USAID and the **local Batwa community**. The Batwa tribe was forced to leave their home in Bwindi Impenetrable Forest National Park in 1991 when it was declared a UNESCO Heritage site for gorillas only. They had been living in the forest as nomadic hunter-gatherers for millennia, in perfect balance with the flora and fauna around. Moving out and suddenly living in communities with a completely different way of life has proven to be a huge challenge. They now survive as best as they can and earn a living explaining their previous life in the forest and their rich heritage.

Continuation of the walk through the **community** to visit the traditional herbalist and the black smith.

- Accommodation: Nkuringo Bwindi Gorilla Lodge (Private Cottage)
